

**Our Mission:** At St. Juan Diego Catholic Church, we are a diverse community that strives to welcome everyone with dignity, respect and belonging by living the Good News of Jesus Christ.

**Nuestra Misión:** En la iglesia Católica de San Juan Diego, somos una comunidad diversa que se esfuerza por dar la bienvenida a todos con dignidad, respeto y pertenencia al vivir la Buen Nueva de Jesucristo.

### Stewardship Moment

The story of the multiplication of the loaves and the fishes is a familiar one, and has many lessons, not least of which is how our willingness to share who we are and what we have - exercising good stewardship - releases God's power and bountifulness on the world and its people. Do we realize that there is enough for all if we are willing to share? Are we aware that God is at work when we share our time, money and our other resources in His name?

### Un Momento de Corresponsabilidad

La historia de la multiplicación de los panes y los peces es muy conocida y tiene muchas lecciones, una de las cuales es cómo nuestra voluntad de compartir quiénes somos y lo que tenemos - ejerciendo una buena corresponsabilidad - libera el poder y la generosidad de Dios en el mundo y su gente. ¿Nos damos cuenta de que hay suficiente para todos si estamos dispuestos a compartir? ¿Somos conscientes de que Dios está trabajando cuando compartimos nuestro tiempo, dinero y nuestros otros recursos en Su nombre?

### St. John's "Bread of Life Discourse" Bible Study

**Who:** Nick Martell, summer seminarian

**What:** Bible studying focusing on the 6<sup>th</sup> Chapter of the Gospel according to St. John. Bring your Bibles!

**When:** 6:30pm-7:30pm right after the Wednesday evening Mass on the following Wednesdays:

**July 31, August 14, August 21, August 28, and September 4.**

**Where:** St. Juan Diego Church

The central belief that we, as Catholics, hold is that Jesus is truly present in the Holy Eucharist and that we really receive him into our bodies and souls every time we receive the Holy Eucharist. This belief actually comes from Jesus Himself and is actually in the Bible! During this period of Eucharistic Revival in the United States, it is important to better understand why we believe this and where the belief is found in Scripture. Over the course of these 5 weeks, together we will study the chapter of the Bible that is the most important to our belief that Jesus is truly present in the Holy Eucharist. I hope that you will join me in helping all of us to deepen our faith in, and understanding of, the Holy Eucharist. I look forward to praying and studying with you!

### Social Justice Mass Intention

You are invited to attend and pray on Thursday, July 25. The Mass intention is for: **Those who grow our food.**

Providing food for all is a Gospel imperative, not just another policy choice. For many, farming is a way of life, not just another business or industry. Agriculture is the way farmers, ranchers, and farmworkers provide a decent life for their families and help feed a hungry world. It is not just another economic activity. ... For some, agriculture is a distant reality, little seen and less understood. When we go to the supermarket, we rarely think about where our food comes from, who produces it, who harvests it, or what it takes to process, package, and distribute it. When many of us think about agriculture at all, we worry about the economic cost of groceries and not the environmental cost to our land or the human cost to farmers, farmworkers, and rural communities in the United States and around the world. <https://www.usccb.org/issues-and-action/human-life-and-dignity/agriculture-nutrition-rural-issues/for-i-was-hungry-pastoral-reflection-part-1>.

### Intenciones del Ministerio de Justicia Social

Está invitado a asistir y orar en la misa del jueves 25 de julio. La intención de la misa es por: **Las que cultivan nuestra comida.**

Proporcionar alimentos para todos es un imperativo del Evangelio, no simplemente otra opción política. Para muchos, la agricultura es una forma de vida, no simplemente otro negocio o industria. La agricultura es la forma en que los agricultores, ganaderos y trabajadores agrícolas brindan una vida digna a sus familias y ayudan a alimentar a un mundo hambriento. No es una actividad económica más. ... Para algunos, la agricultura es una realidad lejana, poco vista y menos comprendida. Cuando vamos al supermercado, rara vez pensamos en de dónde provienen nuestros alimentos, quién los produce, quién los cosecha o qué se necesita para procesarlos, empaquetarlos y distribuirlos. Cuando muchos de nosotros pensamos en la agricultura, nos preocupamos por el costo económico de los alimentos y no por el costo ambiental para nuestra tierra o el costo humano para los agricultores, trabajadores agrícolas y comunidades rurales en los Estados Unidos y en todo el mundo. <https://www.usccb.org/issues-and-action/human-life-and-dignity/agriculture-nutrition-rural-issues/for-i-was-hungry-pastoral-reflection-part-1>
